Just Look What You Can Do!

Corpus Christi is one of Texas' most popular seacoast playgrounds. The blending of Shoreline

Boulevard, the popular "T" head docks, the beach and the magnificent skyline is breathtaking from all angles.

The area's leading attraction is the **U.S.S. Lexington**, and with good reason. The "Lady Lex", as it's affectionately referred to, was commissioned in 1943 and served longer and set more records than any other carrier in U.S. history. Carrier tours include the hangar deck, officers quarters, flight deck bridge, a fully-restored F-14 fighter jet and a Huey Cobra helicopter.

Experience an underseas adventure through the **Texas State Aquarium's** glass-enclosed funnel. View 250 species of sea life, marine habitat and a massive artificial reef created by a giant offshore oil rig.

CORPUS CHRISTI BAY

Narrated cruises available daily!

Wind Surfing
Excellent Birding
Texas Nature Tourism

Whether you are fishing from numerous piers, jetties, miles of beach and seawall or aboard a local commercial boat, you will catch trout, redfish, flounder and drum. Deep sea adventurers will seek marlin, tarpon, sailfish, wahoo, amberjack and red snapper.

Texas Treasure Casino Cruises. Experience fine dining and the thrill of being a winner on the all-new, fun-packed Texas Treasure Casino Cruise ship. Discount tickets available.
