

Other Fun Stuff....

In addition to our scheduled weekend activities, we also have other fun stuff planned for the summer, including:

- Bingo every Saturday Night at 7PM
- LIVE MUSIC every Saturday Night
- "Riverforest Park Un-Plugged" - join us on the deck from 1 PM to 5 PM for an afternoon of music, food & drinks every Sunday during July & August. Cruise In with your Classic, Hot Rod, Muscle, or Antique Car. Bikers welcome too!

Don't miss our 4th of July Fireworks display that never disappoints the crowd.

Riverforest Park has a variety of activities and amenities, such as a large swimming pool, playground, horseshoe pits, basketball court, mini golf and arcade room. We also have great fishing with close to a mile of riverfront access on the Seneca River and also in our pond. In addition we have a marina with access to the Seneca River and NYS Canal System.

We have weekend activities for guests of all ages. So there is sure to be something for everyone. The only problem you'll have while here is trying to decide what to do first - or you can just relax in the outdoors and do nothing at all.

The Campground also has a full service Italian American Restaurant and Bar. The restaurant offers a full menu of delicious meals with generous portions. We have great Italian specialties, seafood, the best prime rib in the area and pizza & burgers too. We also offer daily specials. (check us out at www.Corrados.org.)

At Riverforest we're looking forward to having you come stay with us. If you would like to find out more about our park, visit our website, www.riverforestpark.org, or just call us and our friendly staff will be more than happy to help you plan a great trip.
